

The Holy Kamuras ~ Venus Meets Gaia for the New Earth

Venus Meets Gaia for Terra Christa Sanat Kumara and the Holy Kumaras

This seminar is an overview of the program that Sanat Kumara has asked us to present with him and the Holy Kumaras.

Background:

*Excerpted from Ascended Masters & Their Retreats, W. Schroeder
Sanat Kumara came to Earth, eons ago, to give assistance when there was great danger that the Earth would be dissolved. He offered of his own free will to add to the Light required to sustain her, thereby, keeping this planet's place in the solar system until mankind was able to carry the responsibility of emitting the necessary light.*

As an ascended being Sanat did not take embodiment but remained in Earth's atmosphere. He also had traveled to other planets on similar missions. At first it was thought his stay would be very short. During Lemuria and Atlantis ascended beings walked side by side with humanity. In 1956 due to Cosmic Law it was his time to leave Earth. His heart was always with Earth and he saw a planet that was truly coming into more light than ever thought believed.

For the past 25 years his presence has been in the background and specifically, many have said in the last 10 years, his energies were not available for each of us on Earth, but that is now changing greatly. Each of us embodied within Lemuria and/or Atlantis and it was during that time that he placed in the aura of every unascended being a beautiful love star which radiates his love just as the fireplace in a room sends forth the warm currents of heat. It is important for each of us to connect with that love star which we will experience in this class.

He now wants to return to the essence of Earth at this very important time to assist each of us as lightworkers in our pathway and knowledge that is a part of his knowledge. It is our time to fully remember the work that we have been doing, what we experienced during the timelines of Lemuria and Atlantis and fully reflect on the knowledge's that have been imparted to us since that time.

It is important for us to fully understand the Rays of God that have been brought forth in our planetary existence. This is a chance for each of us to understand the Venusian way of the Rays of God which will be on a higher frequency. Each of us want to aspire to deeper understanding of the work that we are doing. It is part of the process being in training for this pathway. We now will move into a deeper understanding of our work with the Holy Kumaras as it is time for us to acknowledge the Venusian way of existence in our world on Earth. We are changing deeply as we move into the New Earth and the old way of understanding this process will not assist us in the higher frequencies.

We will receive an overview from each of these beings to assist us in this journey we will be embarking upon.

The following material shares the belief that we are coming into the age of renewal. Sanat Kumara is readying each of us for the Golden Age and the time is NOW...Excerpted from: <http://www.ascension-research.org/kumaras.html>

"The Seven Kumaras, whom some Inner students have known as 'Lords of the Flame' from Venus, were the Only Ones from this entire system of planets, who of Their Own Free Will and Infinite Love, offered to guard the children of Earth and assist their upward progress. They came and gave transcendent help here at the most critical period of Earth's growth. It was the time of initiation that is most dangerous in the Life of a planet and its humanity, but through Their protection and guidance, the goal was attained and mankind has been enabled to reach the 'Greater Heights.'

"Many of the Brothers understand that every twenty-five hundred years the Kumaras release a greatly increased outpouring of Cosmic Love, Wisdom, and Energy. This Blazing Light and Transcendent Radiance flooding the Earth and its inhabitants, interpenetrating all, is a tremendous lifting process, and gives a forward impulse to the growth of the entire Earth, as well as its humanity. (Note, Venus Transit June 2012)

"Just preceding each of these Great Outpourings, extraordinary physical disturbances occur, and general unrest is felt throughout by the people. Such disturbance is due to the discord that has accumulated during the last of the preceding period. The generation of such in

harmony is due, always, to the wandering away from the fundamental 'Principle of Life' and the human sense disturbance thus created pollutes the outer activity of mankind, the Earth, and its atmosphere.

"It is to cleanse this, and bring humanity back to the Original Purity of Life that cataclysmic action takes place. It is following these periods, the Kumaras release an enormous Outpouring of 'LIGHT' to illumine and strengthen Earth's children, ultimately enabling them to make the Supreme Attainment.

"We are approaching another such period, (already arrived in 2012) and this time the release of the Great Cosmic Love, Wisdom, and Energy, the Mighty Rays of Light, will not only quicken the minds of the race but the atomic structure of Earth as well, making it more 'Luminous' in our solar system. Never, since these Great Lords of the Flame came to Earth, have conditions permitted such a Great Outpouring to take place as will occur ere long. Many, who have seemed to become hardened by their former activities, will awaken, as it were almost overnight, and feel the Nearness of the Great God 'Presence' within each heart. Many, who have been meek and humble but holding close to the 'Inner Presence,' will suddenly blaze forth, amazing themselves, as well as others, by the Transcendent Light, they will manifest. All will be done by the Power of God-Love, and humanity will truly begin to realize that it is the height of folly for one part of God's Creation to war against another part.

"The desire to bless others instead of themselves will almost involuntarily enter into the hearts of mankind, and send forth a Light that will illumine the rest of the 'Way to Perfection.' Selfishness alone holds the children of this sphere in the bondage and misery which have been allowed to express upon Earth, but when the 'Light of the Christ' expands the 'Love in the Heart,' selfishness flees and returns to the Sea of Forgetfulness.

"Great, natural physical changes will take place. Two Great Centers of Light will pour forth their blessing to humanity - one, the Glorious Glistening 'Presence' of Shamballa in its Dazzling Radiance, and the other will appear in the United States, not however where any so far have been led to believe, but at a point which has not yet been indicated to outer channels of the world.

"During the present activity of assistance and intense outpouring of Light by the Great Ascended Host, who assist the children of Earth, hundreds of humanity will find their present physical bodies being quickened by the rapid raising of the vibratory rate and, as this is completed, will realize that human, physical limitation and discord have dropped away like an old worn-out garment; and that they, the Children of Light, stand forever at One with the 'Flame of Life-Everlasting' and the 'Perfection of Eternal Youth and Beauty' a visible, tangible Reality.

"Beloved children of Earth, you stand upon the Threshold of the Ages. Its Door is being held open by the 'Great Ones of Love' who ever invite you to walk consciously by their side in the Light. No matter what the activities in the world without, walk with the Light and in the Light, regardless of appearances. Then, will you find a Master of the Light, who has trod this self-same path before you, ever watches and stands by your side revealing the 'True Way'. . ."

I Walk Amongst the Holy Kumaras into the Golden Era of Light

I am walking upon the pathway of Leadership for the Golden Age,
My essence is deeply rooted into the confines of healing and truth for humanity,
I have walked this Earth many times searching for the time of renewal,
I walked in Lemuria or Atlantis;
Possibly both,
I lived in an era where love was beautiful, balanced, and blissful in many moments,
I walked with many ascended beings learning the ways of truth and pursuit of happiness,
It is now time for me to renew myself through these energies of light,
I have walked with the Kumaras within the old cultures of this Earth,
I traveled to Venus to continue the work I have started,
I have been asked to take on this responsibility which will assist in my pathway into the New
Earth,
I am now ready to remember all that has been given to me previously,
I call upon Sanat Kumara and all of the Holy Kumaras,
To assist me in remembering, accessing, and sharing the knowledge's of the Word of God,
Through their essence within the Temple of the Great Central Sun;

I am deeply honored to be in this juncture of time of my remembrance,
As the love I experienced in ages long gone by
Is now ready to be fully enhanced within my Being
At this time of renewal of 2012
Thank you, Sanat Kumara and all of the Holy Kumaras for believing in Me.

I walk in beauty, love, bliss, and share the word of God as expressed,
Through the Venusian way of being,
We walk into the New Earth as we change what was lost into what is rediscovered;
I fully accept all That I AM and share with others,
So Mote It Be in the Light of the All.
